Look, let's crunch some numbers. How much money are we laundering? Yeah, apparently. All right, \$16,000 laundered at 75 cents on the dollar, minus my fee, which is 17%, comes out to \$9,960. Congratulations, you've just left your family a second hand Subaru.

So things are quiet, y'know? Not a lot of crystal on the streets right now. Well, we keep hearing a name. Heisenberg. Lately pretty much every dimebagger we come across. Yeah, I know. Maybe it's a tweaker urban legend. Still, somebody somewhere is cooking that big blue we keep finding.
